

City of Long Beach Multi-Service Center (MSC)

The MSC is operated by the City of Long Beach, Department of Health and Human Services, with 12 co-located nonprofit agencies. The MSC is designed to provide one-stop access to resources for individuals and families experiencing homelessness within the City of Long Beach. The MSC serves as the point of entry for homeless services city-wide, providing a wide range of services from basic amenities of shower, laundry, mail and message center, to street outreach, van shuttle, transportation, childcare, medical care, mental health services, substance abuse treatment, HIV/AIDS, integrated case management, and housing coordination. The MSC mission is to provide comprehensive supportive services to promote progress towards permanent housing, self-sufficiency, by creating a community where health, safety, and well-being are established.

Department of Health and Human Services

As lead operator of the MSC, the DHHS - Bureau of Human and Social Services staff provide Continuum of Care services including street outreach, intake reception, comprehensive assessment, supportive case management and housing coordination services. The MSC Coordinator ensures that all client services are well organized between DHHS staff and the collaborative partnering agencies.
